

# A BRIGHT CAREER DESERVES A POWERFUL START

Collaborating to  
Empower Students with  
Quality Education

Physics Wallah

Boscoss Pre-University College won the 14th ACCE(I) MLR Ultratech Award for the year 2022 for well-built infrastructure in Dakshina Kannada, Udupi, Chikkamagaluru and Shivamogga districts.

Well-furnished AC Classrooms and Laboratories

Magnificent residential facilities within the campus

Easy accessibility to the campus from the various parts of the city

Well-designed cafeteria with delicious and variety of food items.

Encouragement for co-curricular and extra-curricular activities.

State of the art library facility with access to computers

Staunchly believing that every student has the potential to excel, Boscoss Pre-University College was started in the June of 2016, as the brainchild of Prof.S.S.Bosco's incessant aspiration to build an exemplary institution where students can be inspired to excel academically.
