ADMISSIONS OPEN FOR 2012-2013

A co-educational school affiliated to the CISCE, Sharada Residential School is a synonym for quality education. With its emphasis on both curricular and extra curricular activities, the school brings to the fore the latent talents of its students.

With education increasingly becoming the primary determinant of over-all development of the students, education in our school seeks to become a meeting point for students, teachers, and all those who are concerned. To academically influence the students, our school follows **ICSE syllabus** (affiliated to CISCE, Delhi and Member, IPSC) from Class VI to X. Activities, which gain control over the young minds of the students like sports & games, dance, music, karate, swimming etc. are conducted. Through personality development programmes, the innate qualities of the students are brought out which will infuse leadership qualities in them.

We have separate school hostels for Boys and Girls with well furnished rooms, which accommodates students and staff, well designed academic blocks, laboratories with modern facilities, playgrounds & Swimming Pool.

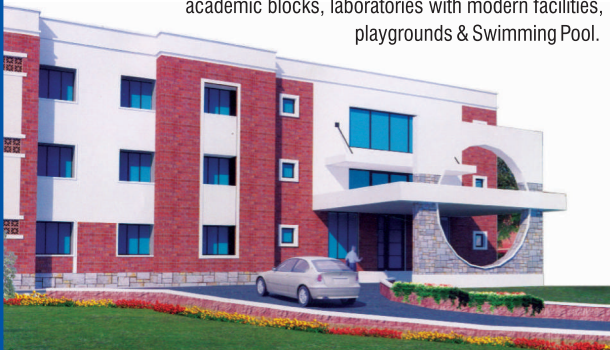

SMART CLASSROOMS with **Digital Interactive Boards** make the Learning process very interesting at Sharada Residential School.
