

A photograph of two young boys with dark hair, looking intently at a laptop screen. They are positioned under a white sheet that is draped over their heads, creating a tent-like structure. The boy on the left is wearing a grey and yellow striped shirt, while the boy on the right is wearing a grey shirt. The background is a solid blue color. The laptop screen is dark, and the text is written in white on it. A red rectangular shape is visible on the right side of the image.
