

Incredible India

*Watch
tiny drops of
monsoon swallow
the mighty
mountains of
Himachal.*

Sreshtha

Come, feel the beautiful drizzle caress the mountains, the surging waters plunge down the gorgeous falls, the raging rivers kissing the banks. And the forests bathe in the thunderous pour. It is pure magic. It warms your heart. Rejuvenates your mind. And soothes your soul. Blissfully.

*Unforgettable
Himachal*

Prashar Lake, Mandi
