

Now get active with an optimal diet

New OptimHealth Multivitamin supplements your diet with essential vitamins and minerals. So you can live life to the fullest. Everyday!

The first step in ensuring optimal health is taking adequate amounts of vitamins and minerals. New OptimHealth with Vitamins, Minerals, Ginger and Amla provides your body the foundational nutrients that may be lacking in your daily diet due to insufficient vegetables and fruits. It comes packed with a wide array of vitamins (Vitamin A, B Vitamins Complex, Vitamin C, Vitamin D2, Vitamin E), minerals (Zinc, Copper, Magnesium, Iodine, Selenium, Manganese etc) and ayurvedic ingredients such as Amla and Ginger. Formulated by international experts, OptimHealth supplements* combine leading edge nutrients with time-tested ayurvedic ingredients. Take 2 capsules daily with a meal for a healthy and active life.
