

Seni Lady Special Pads for Special Tasks

seni

Bladder weakness is very common and affects **every 1 in 4** ladies at different stage of life, for example, when laughing, sneezing or lifting a baby.

Seni Lady bladder control pads ensure discreet protection against unexpected urinary leakages with the absorbency even 4 times higher than sanitary napkins!

Stay fresh and dry all the time with Seni Lady!

Free air circulation **protects** the skin against chafes & irritations

Moisture kept away from the skin **gives** the feeling of dryness

Odour Stop system **eliminates** bad smell

Standing gathers **prevent** from side leakages, even in case of more intense urine loss

Seni Lady bladder control pads are available in the best pharmacies, surgicals and online stores.
