

INTRODUCING

IMAGINE

LUXURY FOAM MATTRESS

works like a dream.

Kurl-on introduces **IMAGINE** – a luxury mattress created as a result of detailed research and development and understanding the needs of the consumer.

- High Resilience (HR) foam mattress with a thick layer of technologically advanced memory foam.
- Optimal support and reduction of stress on pressure points.
- Additional cushioning and extra bounce to de-stress and beat fatigue.
- Imported knitted anti-microbial fabric.
- Available in 6" thickness.
