

A CHOICE OF FEATURES THAT
NOT ONLY SUIT YOUR **HEARING LOSS**
BUT ALSO YOUR **BUDGET**

Syed Kirmani,
Former Test Cricketer and Widex User

Presenting **WIDEX MENU** – The perfect blend of innovation and advance technology at a budget price

With the new MENU series, now you can choose from a set of optional features along with set of fixed advanced features to suit your hearing loss and lifestyle requirements. The basic MENU option provides great sound for easy listening and comes with state-of-the-art technology to minimize whistling.

And, it can even adapt to your changing listening situations – something that is usually found only in the more expensive hearing aids. **Come hear life again!**

WIDEX MENU[™]
THE CHOICE IS YOURS

Widex recommends use of Widex Batteries for better performance and longer battery life*
